Advocate Good Shepherd Hospital Gala Chair Barbara Hills

Dear Friends,

Can I tell you something? It is an honor and a privilege to chair the Advocate Good Shepherd Silver and Gold Friendship Gala to be held this October 8!

*This is important.* This is the third year of our goal to raise the final \$1 million of the \$25 million goal (our community's leverage to share in the Advocate \$240 million modernization project).

This is especially fun for me because I have been training for this project since childhood! Where I grew up, students joined the local 4-H Club to develop qualities of good citizenship. All sorts of projects were offered to learn cooking, sewing, carpentry items, public speaking, and even raising farm animals. My favorites were photography and party planning.

Fast forward to today: It's time for Photography and Party Planning!

You are invited to join Paul and me and wonderful groups of people within Advocate Good Shepherd's family and friends. We hope to have your support and see you there!
