## ¡Viva! An Evening in Old Havana!

**B**ARRINGTON HILLS COUNTRY CLUB was transformed into the 1950s as exotic Old Havana on April 22, 2017, where guests were greeted at the Barrington Youth & Family Services gala fundraiser. The Havana themed event featured live Latin music, dancers, and a cigar rolling station. A highlight of the night was the exciting live auction, which included trips to Isle of Palms, Amelia Island, and a one-of-a-kind Napa experience, donated by Jimmy John's founder, Jimmy John Liautaud. The Napa experience went for \$24,000, and everyone was surprised when Leslie and Jimmy John Liautaud called in during the live auction to match the winning \$24,000 bid as a donation to BYFS.

The event attracted more than 200 guests and approximately \$275,000 was raised—a record for BYFS—representing a 35 percent increase over last year's spring gala. Event sponsors included: the Foglia Family Foundation, Edie & Brian McTernan, Chris & Stan Pepper, Fidelitone Logistics, Triumph Construction Services Corporation, Polymedco/Shirley & Peter Welsh, Barrington Bank & Trust Co., N.A., A Wintrust Community Bank, Joyce's Driving School, Becky & Jim Martell, Dr. Young Chung, Wickstrom Auto Group, Insignia Kitchen & Bath, BMO Harris Bank, Tiffany Marshall/Jameson Sotheby's International Realty, The Tilly Family, The Mayo Family Foundation, Advocate Good Shepherd Hospital, and the Hale Foundation.
