

## Biltmore Country Club Hosts Football Legends Classic

NPH USA'S 5TH ANNUAL FOOTBALL LEGENDS CLASSIC RAISES \$160,000

ON MONDAY, AUGUST 14, 2017, Biltmore Country Club hosted NPH USA's Annual Football Legends Classic. This was the fifth year for the event that features numerous NFL Hall of Famers who generously donate their time to attend, mingle with guests, golf, and sign their autographs on a variety of auction items. Event proceeds benefit NPH USA, which supports the homes, health care, and educational programs for Nuestros

Pequeños Hermanos (NPH), Spanish for "Our Little Brothers and Sisters." NPH is currently raising more than 3,400 children in nine countries, supports 2,300 external students, and serves thousands of people each year through outreach programs to support orphaned, abandoned, and disadvantaged children in Latin America and the Caribbean.

The event featured an exciting helicopter ball drop with a large cash prize for the person whose ball rolled

closest to the hole after falling from the sky, as well as a hole-in-one challenge and awards reception and dinner.

NPH USA is headquartered in Chicago and has regional offices in Boston, Chicago, Phoenix, Seattle, and Minneapolis. NPH helps children to transcend poverty and grow into caring and productive members of their communities.
