## Motykie Med Spa Celebrates Its First Year in Barrington

DR. GARY MOTYKIE BRINGS HIS EXPERTISE FROM BEVERLY HILLS TO BARRINGTON

**A** NATIVE OF CHICAGO'S NORTHWEST SUBURBS, Gary Motykie, a renowned Board Certified plastic surgeon and TV personality whose long-time practice is located in Beverly Hills, has brought his expertise back to the Midwest and chose Barrington for his new med spa location. To celebrate his team's first year anniversary, the Motykie staff invited clients and friends to join them at the med spa's location—complete with two tents, the spa's interior, and catering from Moretti's Restaurant. Gillett Johnson sponsored wines from his brands, along with Figenza Mediterranean Fig Flavored Vodka which brought by Angeli Angelos.

Motykie Med Spa is located in a 100-year-old Victorian at 320 East Main Street with a modernized and renovated interior and repainted exterior. Two hundred guests were offered special promotions at the celebration representing the many services the practice is known for. Motykie Med Spa's team looks ahead to 2019 with the addition of new services including IV Therapy and Hair Restoration.
