

The 2017 JourneyCare Gala Committee.

An Evening in the Hamptons with JourneyCare

OVER 350 GUESTS in elegant black tie or Hamptons formal gathered at the Barrington Hills estate of Colleen and Bill Noyes on June 24 to celebrate JourneyCare at the agency's signature fundraising event, *The Gala: An Evening in the Hamptons*.

The evening began with cocktails and hors d'oeuvres served poolside, followed by a three-course gourmet meal in the main tent. After dinner, Bill Noyes doubled as auctioneer for the live and reverse auctions, with assistance from the JourneyCare Teen Leadership Team. Live auction items included a Grand Cayman Getaway, a Kentucky Derby Experience, tickets for a Chicago Cubs Skybox, and tickets to a Chicago Blackhawks game. The black-tie event raised over \$350,000 in support of JourneyCare's mission of enriching lives through expert and compassionate care.

PC Daniel was the winner of the much-anticipated drawing for a 2017 Land Rover Discovery Sport, donated by Motor Werks Auto Group of Barrington. The evening was capped off with dancing to the music of High Society Orchestra. Guests were also treated to a special performance by Victoria Noyes. As guests departed, a donut truck was on hand with coffee and sweet treats to go. 

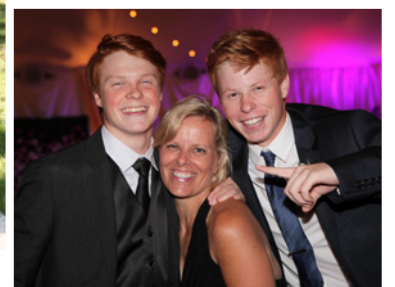

Paul Tamraz of Motor Werks congratulates PC Daniel for winning the 2017 Land Rover Discovery Sport drawing.
