Treetime Offers Artificial Tree Trade-In Program to Benefit Good Will

DONATED TREES TO BE ACCEPTED OCTOBER 1-31

THE GREATER CHICAGOLAND GOODWILL STORES AND DONATION CENTERS are teaming up with Treetime Christmas Creations of Lake Barrington for an artificial Christmas tree trade-in program. Area residents may donate gently used artificial trees to benefit Goodwill, a nonprofit organization whose mission is based on training and employment, providing people with a “hand up, not a handout”.

“While we celebrate the holiday season year-round at Treetime, we know the upcoming Christmas season is the time of year when families want to create a special feeling of joy in their homes,” Laurie Kane, Treetime Christmas Creations’ owner said. “In addition, the donation program offers a ‘greener’ way for residents to pass on their Christmas trees, rather than adding to landfills.”

Treetime Christmas Creations, a national premium artificial tree and decor company, will accept donated artificial Christmas trees (3-feet and larger) at its headquarters showroom, 22N102 Pepper Road, Lake Barrington or at Greater Chicagoland Goodwill Stores & Donation Centers (for locations visit amazinggoodwill.com). Area residents who donate a tree will receive 15% off any new Treetime artificial Christmas tree purchase or \$75 off a select group of 7.5 ft. trees, redeemed at 22N102 Pepper Road, Lake Barrington) by November 2. For more information, visit treetime.com.

Team Wynstone Nails It with Habitat for Humanity

ON JUNE 29, 2019, a team of industrious Wynstone residents worked at the Habitat for Humanity's construction site in Crystal Lake. Despite intense heat and humidity, the walls went up as framing was

the day's goal. One of the attendees, who once had family on this property, was present. Now this location would become a home for a family who is living in an apartment or motel. Seeing the heat and hard work, she surprised everyone with popsicles. The homes built by the nonprofit are not given to the new owners; they are offered with a no-interest mortgage. Some sweat equity is also expected at the job site. Members of the Wynstone team arrived ready to help. The job was run by a construction professional and all the tools needed were provided. The Morrison Home Team Serves Up Summer

ON AUGUST 15, 2019 during the final days of summer vacation, John Morrison and his realtor team served up a back-to-school ice cream social for friends and guests. An ice cream and snow cone truck provided dozens of flavors to choose from. Face painting, a balloon artist, and coloring kept children busy at the South Shelter at Citizens Park.

BEING MY MOM'S MOM AND REFRESHMENT FOR THE CAREGIVER'S SPIRIT

Clarendale of Algonquin

Wednesday, September 18 / 8:30 a.m.-12 p.m.

Participants will hear speaker Loretta Woods Veney, a motivational speaker, trainer and author, present her perspective on dementia and its impact on relationships. She chronicles her current 11-year journey as her mom's caregiver and discusses how forgiveness, patience, preparation, and humor all work together to effectively manage caregiving challenges. The suggested strategies are practical, effective, economical, and fun. Activities geared towards providing joy and inner peace will be offered. The fee is \$10. Clarendale of Algonquin is located at 2001 W. Algonquin Road in Algonquin.

LONG-TERM CARE: MEDICARE DOES NOT PAY FOR IT ALL

The Garlands of Barrington

Thursday, September 19 / 5 p.m.-7:15 p.m.

Besides having the proper estate planning documents, you need to know what legal options are available in planning and paying for long-term care. That Medicare will pay for it all is a myth. This session will focus on the limitations of Medicare and how Medicaid, long-term care insurance, and personal care contracts can be used to maximize a person's quality of life. Presented by Kathryn Casey, JD, CELA, Partner and Certified Elder Law Attorney at Dutton Casey & Mesoloras. The fee is \$10 fee. The Garlands is located at 1000 Garlands Lane in Barrington.

WHEN A PATIENT CAN'T: SURROGATE DECISION MAKING. WHO DECIDES?

Waverly Inn, Arlington Heights

Thursday, October 3 5-6:30 p.m.

This session will discuss questions commonly asked of elder law attorneys: Who is the decision-maker authorized by Illinois law? What is the extent of a decision-maker's authority? What ethical standards should he or she apply when making decisions? Presented by Kathryn Casey, Certified Elder Law Attorney and Partner, Dutton Casey & Mesoloras Chicago and Arlington Heights. The fee is \$5. The Waverly Inn is located at 515 W. Rand Road in Arlington Heights.

What's Happening at the Barrington Area Chamber of Commerce

THE BARRINGTON AREA CHAMBER OF COMMERCE and the Village of Barrington gathered for a ribbon cutting ceremony on Tuesday, August 13, 2019 to celebrate the opening of the new Barrington 220 District Administrative Center at 515 W. Main St. in Barrington, across from the high school.

"We are thrilled to be in this beautiful new space located directly across from Barrington High School," said Dr. Brian Harris, Superintendent of Barrington 220 Schools. "The building is nearly double the size of Barrington 220's former district office at 310 James Street. This additional space allows the district to house nearly all district level staff in the new building, which frees up space in our schools for additional educational needs." The district acquired the 20,000 square ft. building from Pepsico, which it most recently used as a facility for Gatorade. District 220 staff moved into the new location at the end of the 2018-19 school year. For more information call (847) 381-6300 or visit barrington220.org

Ribbon cutting attendees are (from left) Denny Landry (LDL Services-Uber & Direct Driver), Kathleen Scott (Northwest Healing Center, Inc.), Mary Dudek and Penny Kazmier (Barrington 220), Lynn Austrheim (Counseling Solutions for A Better Life), John Haniotes (Barrington Bank & Trust Co., N.A.), Dr. Brian Harris, Dr. David Bein, and Sandra Ficke-Bradford (Barrington 220), Burke Groom, Jon Stickney, and Charlotte Neault (Barrington Bank & Trust Co., N.A.), Gary Kreuz (Minuteman Press of Barrington), Amber Wirkus (Holiday Inn Express Lake Zurich), Scott Anderson (Village of Barrington), Robert Finley (Virtue Asset Management), Martha Goodman Stack (Wells Fargo Advisors), Keith Hanson (Hanson Law Group LLP), Gaye Mack (Gaye F Mack, Inc.), Steve Pease (ServiceMaster Kwik Restore), Jeanine Stark (Barrington 220) and Suzanne Corr (BACC).

Snow Removal at the Touch of a Button

BARRINGTON BUSINESS OWNERS LAUNCH
NEW DRYFT APP

LONG-TIME BARRINGTON RESIDENT and BHS alumnus Mike Murray and Jackie, his wife, had an ah-ha moment when a family member was recovering from a serious health issue. When she could not do the heavy lifting of snow removal last winter, an idea can to light. “She was the inspiration for our new snow removal app,” Mike Murray said. Since 2012, the Murrays have run APLS-All Parking Lot Services, their business of commercial and residential snow removal, and the new app was a natural extension of their offerings and a way to revolutionize local snow removal services.

The services focus on a targeted geographic area including the Barringtons, Lake Zurich, and Palatine. Murray says he does not want to over-extend his service area, which allows for tight response times (four hours, any time of day) and excellent service. Customers have a variety of driveway materials, and DRYFT services will use the right equipment for each. Other benefits include environmentally friendly salt, and hand shoveling for smaller areas such as steps and dog runs. Another key option is a service setting on the app for 2” snow removal—getting ahead on deeper snow falls. And for no-show providers? DRYFT will get the job done. Snow removal will also be provided for small commercial centers.

Options for snow removal include advance scheduling for incoming snowstorms which the DRYFT app will signal through its weather feature. Snowbirds or vacationers can schedule service remotely through the app.

All DRYFT service providers are background checked and pre-screened. For those interested in applying to DRYFT, go online to the DRYFT Service Provider and sign-up.

There is a season-long sign-up option for users on the Apple and Android friendly app, which is free and downloaded through Apple's app store. Snow removal payments can be per event or seasonal and are made through the app or online for those who prefer using a website. For more information, visit DRYFTnow.com or call 847-346-5004.

Countryside Elementary School Celebrates New All-Inclusive Playground

ON MONDAY, AUGUST 19, Countryside Elementary School's PTO members, school staff, Superintendent Dr. Brian Harris, and community leaders joined parents and students to cut the ribbon on the new playground. Designed to be accessible for students of all physical abilities, the new play space was eagerly tested out by students after the brief ribbon cutting ceremony. This is the first all-inclusive playground in Barrington 220, provided by community support and the many generous Barrington community donors.
