

WHO'S WHO IN HOME & GARDEN

ADVANCE DESIGN STUDIO

Areas of Expertise: Design/build full-service remodeling for kitchens, baths, basements, additions, specialty spaces, outdoor living spaces, and whole home renovations. Our Common Sense Remodeling process ensures all the details of your remodel, from initial designs through completed construction, are handled under one roof by our trusted team of local remodeling experts.

Signature Style: Fresh, renovated spaces that are uniquely curated for each family we partner with. Utilizing the latest in materials, colors, and home fashion, we create personalized spaces customized to each homeowner's personal tastes and styles. Having a home that is both highly functional and attractive in design is crucial today. We elevate everyday moments with thoughtful designs and quality craftsmanship that our clients enjoy for many years.

Design Trends: Colorful accents, subtle texture, moody hues, and warm whites are all on trend. Homeowners aren't afraid of color, and we are excited to bring colorful accents into the spaces we design and build for our clients. Multi-functional spaces are also popular. Many homeowners need versatile spaces to accommodate individual schedules, hobbies, and lifestyles at home while maximizing square footage.
