

SCHMECHTIG LANDSCAPES

SERVING CHICAGO'S NORTH SHORE AND BARRINGTON AREA, AND THE LAKE GENEVA AREA

NATURE AT HOME (Nature-Inspired Landscapes)

Schmechtig Landscapes' nature at home approach creates harmony and balance with your outdoor environment. Nature is a part of us. Through our landscape services, we bring about the elements of nature: gardens, trees, and natural stone to bolster its positive and calming impact; water for reflecting, fire for evening chats; worldly elements to keep you connected at home to the natural components of our earth.

Through our design and maintenance services, we create harmony and balance for you and outdoor spaces that include seasonal interest because nature is a continuous transformation that should be enjoyed each day.

Areas of Expertise: Landscape Design & Construction; Property Maintenance

Design Style: Nature-inspired landscapes for outdoor living, relaxing, gathering, and everyday enjoyment to be shared with others.
